Affordable Catholic Education May Be Within Reach!

While we know that Catholic schools offer an excellent education and moral formation for their students, some families opt for other schools - public, charter, private, or homeschool - due to the lower price tag. Still, perhaps you wish that your child(ren) had the benefit of attending a Catholic school - just look at our standardized test scores, which have risen steadily at Archdiocesan elementary schools over the past few years!

St. Jerome Catholic School and has an opportunity to offer

Tuition Transfer Grants

for new students who register in grades 1 - 6.

Any student currently attending a **public, charter, home, or private school** who registers to attend Saint Jerome School is eligible to receive

a three-year tuition grant:

\$1000 in Year One

\$500 a Year Two

\$300 in Year Three

A total savings of \$1,800 for your family!

***Any current school family who refers a new family
will receive a \$500 tuition credit per family!!***

While these grants are only available to new transfer students who register at Saint Jerome School, they will also benefit current families by filling empty classroom seats, which increases the school's efficiency and revenue, and minimizes future tuition increase.

Full classrooms are the surest path to affordable tuition for everyone!

If you are interested in a Tuition Transfer Grant
or in registering at Saint Jerome School,
